

GETTING TO CRUK CI

The Institute is based in the Li Ka Shing centre, on the Cambridge Biomedical Campus to the south of Cambridge. CRUK CI is shown in dark blue/purple on the map.

Cambridge has good transport links with the rest of the UK and beyond. There are several ways to reach the Institute.

Travelling to CRUK CI by train

If you are coming from London we recommend that you take the train. There is a frequent London-Cambridge train service. The fastest service is from King's Cross; trains leave approximately every 30 min and most take 50 min. There are also services from Liverpool Street which take approximately 70 min. There are also direct trains to Cambridge from Birmingham (West Coast Mainline), Peterborough (East Coast Mainline) and Stansted Airport. You can check up-to-date timetables with National Rail Enquiries (08457 48 49 50 or www.nationalrail.co.uk).

From the station:

Walk: this takes 25-30 min

Bike: this takes 10-15 min. We have plenty of bike parking at the Institute.

Bus: buses leave from outside the station (on the left). The Park and Ride (towards Babraham Road), Citi 1 (towards Cherry Hinton/Fulbourn), Citi 7 (towards Sawston/Duxford) or Citi 8 (to Addenbrooke's) all stop at Addenbrooke's Hospital bus station (shown in turquoise on the map). The Guided Busway (towards Trumpington Park and Ride) travels through the hospital site. The fare is about £2.40.

Taxi: there is a taxi rank outside the station (on the right). Taxis can also be ordered from Panther Taxis on 01223 715 715.

Travelling by coach

Cambridge is served by a number of long-distance coach services (including the X5 from Oxford and direct services from the major London airports). The X5 also serves Milton Keynes Coachway where coaches from around the country stop. Most coaches stop at the Bus Station near Parker's Piece in central Cambridge.

Travelling by car

The traffic in Cambridge during morning and evening rush hour can be dreadful, so time your visit carefully. From Junction 11 of the M11 take the new Addenbrooke's Road/Francis Crick Avenue following signs to 'Hospitals' and 'Biomedical Campus'. From the A14, join the M11 and proceed as above. For satellite navigation systems use postcode CB2 0RE. There are a limited number of parking spaces available in the staff car park (pink on the map), which are available on a first come-first served basis. Please enter the car park using barrier D and bring your ticket to CRUK CI for validation and payment (£3.40/day). If there are no spaces available you can also park in Car Park 1 or 2 (outlined in pink on the map). Alternatively, park in the Trumpington Park and Ride (£1 to park all day) and travel by the Guided Busway to the Institute. Buses leave every 15 minutes and the journey takes 10 minutes. The bus stop is directly outside the Institute on Puddicombe Way.
